Zapp EV Announces Reverse Stock Split

LONDON, April 16, 2024 – Zapp Electric Vehicles Group Limited (Nasdaq: ZAPP) (“Zapp EV” or the “Company”), owner of “Zapp”, the British electric vehicle brand on a mission to revolutionize personal urban mobility, today announced that its shareholders approved at the Company’s annual general meeting on April 11, 2024, and that the Company will effect, a consolidation of its authorized share capital at a ratio of 1-for-20 (the “Reverse Stock Split”), in order that the share capital of the Company be amended from US\$50,000 divided into 500,000,000 ordinary shares of a nominal or par value of US\$0.0001 to US\$50,000 divided into 25,000,000 ordinary shares of a nominal or par value of US\$0.002 (the latter, the “New Ordinary Shares”).

The Reverse Stock Split will be effective at 4:01 p.m. (EDT) on Monday, April 22, 2024, and the Company’s ordinary shares will begin trading on a split-adjusted basis when the Nasdaq Global Market (“Nasdaq”) opens for trading on Tuesday, April 23, 2024. The ordinary shares will continue to trade on Nasdaq under the trading symbol “ZAPP”, but will trade under new CUSIP number G9889X 123.

As a result of the Reverse Stock Split, every 20 ordinary shares issued and outstanding as of the effective date will be automatically combined into one New Ordinary Share. No fractional shares will be issued as a result of the Reverse Stock Split. Where shareholders would otherwise be entitled to fractional shares as a result of the Reverse Stock Split because they hold a number of shares not evenly divisible by 20, such shareholders will automatically be entitled to an additional fraction of a share to round up to the next whole New Ordinary Share. The reverse split affects all shareholders uniformly and will not alter any shareholder’s percentage interest in the Company’s equity capital, except to the extent certain shareholders receive an additional fraction of a share due to the rounding up described above.

The Company will proportionately adjust the terms of outstanding warrants, equity-based awards and other outstanding equity rights, including 26,437,500 warrants originally issued in the business combination with CIIG Capital Partners II, Inc. (the “Public Warrants”). Accordingly, the number of shares issuable upon exercise of the Public Warrants will be reduced at a ratio of 1-for-20, so that every twenty Public Warrants will entitle a holder to purchase one New Ordinary Share. The exercise price of the Public Warrants will increase accordingly from \$11.50 per share to \$230.00 per New Ordinary Share.

SHARES

8. Subject to these Articles, all Shares for the time being unissued shall be under the control of the Directors who may:
- (a) issue, allot and dispose of the same to such Persons, in such manner, on such terms and having such rights and being subject to such restrictions as they may from time to time determine; and

10. Such commissions may be satisfied by the payment of cash or the lodgement of fully or partly paid-up Shares or partly in one way and partly in the other. The Company may also pay such brokerage as may be lawful on any issue of Shares.
11. The Directors may refuse to accept any application for Shares, and may accept any application in whole or in part, for any reason or for no reason.

MODIFICATION OF RIGHTS

12. Whenever the capital of the Company is divided into different Classes (and as otherwise determined by the Directors) the rights attached to any such Class may, subject to any rights or restrictions for the time being attached to any Class only be materially adversely varied or abrogated with the consent in writing of the holders of not less than two-thirds of the issued Shares of the relevant Class, or with the sanction of a resolution passed at a separate meeting of the holders of the Shares of such Class by a majority of two-thirds of the votes cast at such a meeting. To every such separate meeting all the provisions of these Articles relating to general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply, except that the necessary quorum shall be one or more Persons at least holding or representing by proxy one-third in nominal or par value amount of the issued Shares of the relevant Class (but so that if at any adjourned meeting of such holders a quorum as above defined is not present, those Shareholders who are present shall form a quorum) and that, subject to any rights or restrictions for the time

being attached to the Shares of that Class, every Shareholder of the Class shall on a poll have one vote for each Share of the Class held by them. For the purposes of this Article the Directors may treat all the Classes or any two or more Classes as forming one Class if they consider that all such Classes would be affected in the same way by the proposals under consideration, but in any other case shall treat them as separate Classes. The Directors may vary the rights attaching to any Class without the consent or approval of Shareholders provided that the rights will not, in the determination of the Directors, be materially adversely varied or abrogated by such action.

13. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, subject to any rights or restrictions for the time being attached to the Shares of that Class, be deemed to be materially adversely varied or abrogated by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of any Shares of any Class by the Company.

CERTIFICATES

14. No Person shall be entitled to a certificate for any or all of their Shares, unless the Directors shall determine otherwise.

FRACTIONAL SHARES

15. The Directors may issue fractions of a Share and, if so issued, a fraction of a Share shall be subject to and carry the corresponding fraction of liabilities (whether with respect to nominal or par value, premium, contributions, calls or otherwise), limitations, preferences, privileges, qualifications, restrictions, rights (including, without prejudice to the generality of the foregoing, voting and participation rights) and other attributes of a whole Share. If more than one fraction of a Share of the same Class is issued to or acquired by the same Shareholder such fractions shall be accumulated.

LIEN

16. The Company has a first and paramount lien on every Share (whether or not fully paid) for all amounts (whether presently payable or not) payable at a fixed time or called in respect of that Share. The Company also has a first and paramount lien on every Share (whether or not fully paid) registered in the name of a Person indebted or under liability to the Company (whether they are the sole registered holder of a Share or one of two or more joint holders) for all amounts owing by them or their estate to the Company (whether or not presently payable). The Directors may at any time declare a Share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a Share extends to any amount payable in respect of it.
17. The Company may sell, in such manner as the Directors may determine, any Share on which the Company has a lien, but no sale shall be made unless an amount in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing, demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has

been given to the registered holder for the time being of the Share, or the Persons entitled thereto by reason of their death or bankruptcy.

18. For giving effect to any such sale the Directors may authorise some Person to transfer the Shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the Shares comprised in any such transfer and they shall not be bound to see to the application of the purchase money, nor shall their title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.
19. The proceeds of the sale after deduction of expenses, fees and commission incurred by the Company shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable, and the residue shall (subject to a like lien for sums not presently payable as existed upon the Shares prior to the sale) be paid to the Person entitled to the Shares immediately prior to the sale.

CALLS ON SHARES

20. The Directors may from time to time make calls upon the Shareholders in respect of any moneys unpaid on their Shares, and each Shareholder shall (subject to receiving at least fourteen days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on such Shares.
21. The joint holders of a Share shall be jointly and severally liable to pay calls in respect thereof.
22. If a sum called in respect of a Share is not paid before or on the day appointed for payment thereof, the Person from whom the sum is due shall pay interest upon the sum at the rate of eight percent per annum from the day appointed for the payment thereof to the time of the actual payment, but the Directors shall be at liberty to waive payment of that interest wholly or in part.
23. The provisions of these Articles as to the liability of joint holders and as to payment of interest shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the amount of the Share, or by way of premium, as if the same had become payable by virtue of a call duly made and notified.
24. The Directors may make arrangements on the issue of partly paid Shares for a difference between the Shareholders, or the particular Shares, in the amount of calls to be paid and in the times of payment.
25. The Directors may, if they think fit, receive from any Shareholder willing to advance the same all or any part of the moneys uncalled and unpaid upon any partly paid Shares held by them, and upon all or any of the moneys so advanced may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of an Ordinary Resolution, eight percent per annum) as may be agreed upon between the Shareholder paying the sum in advance and the Directors.

FORFEITURE OF SHARES

26. If a Shareholder fails to pay any call or instalment of a call in respect of any Shares on the day appointed for payment, the Directors may, at any time thereafter during such time as any part of such call or instalment remains unpaid, serve a notice on them requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
 27. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the Shares in respect of which the call was made will be liable to be forfeited.
 28. If the requirements of any such notice as aforesaid are not complied with, any Share in respect of which the notice has been given may at any time thereafter, before the payment required by notice has been made, be forfeited by a resolution of the Directors to that effect.
 29. A forfeited Share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
 30. A Person whose Shares have been forfeited shall cease to be a Shareholder in respect of the forfeited Shares, but shall, notwithstanding, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by them to the Company in respect of the Shares forfeited, but their liability shall cease if and when the Company receives payment in full of the amount unpaid on the Shares forfeited.
 31. A statutory declaration in writing that the declarant is a Director, and that a Share has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts in the declaration as against all Persons claiming to be entitled to the Share.
 32. The Company may receive the consideration, if any, given for a Share on any sale or disposition thereof pursuant to the provisions of these Articles as to forfeiture and may execute a transfer of the Share in favour of the Person to whom the Share is sold or disposed of and that Person shall be registered as the holder of the Share, and shall not be bound to see to the application of the purchase money, if any, nor shall their title to the Shares be affected by any irregularity or invalidity in the proceedings in reference to the disposition or sale.
 33. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which by the terms of issue of a Share becomes due and payable, whether on account of the amount of the Share, or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
-

TRANSFER OF SHARES

34. Subject to these Articles and the rules or regulations of the Designated Stock Exchange or any relevant securities laws, any Shareholder may transfer all or any Shares by an instrument of transfer in a usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Directors and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Directors may approve from time to time.
35. Subject to the rules of any Designated Stock Exchange on which the Shares in question may be listed and to any rights and restrictions for the time being attached to any Share, the Directors shall not unreasonably decline to register any transfer of Shares and shall, upon making any decision to decline to register any transfer of Shares, assign an appropriate reason therefor. If the Directors refuse to register a transfer of any Share the Company shall, within two (2) months after the date on which the transfer request was lodged with the Company, send to the transferor and transferee notice of the refusal, including the relevant reason for such refusal. For the avoidance of doubt, it shall not be unreasonable for the Directors to decline to register any transfer of a Share if such transfer would breach or cause a breach of: (i) the rules of any Designated Stock Exchange on which the Shares may be listed; or (ii) applicable law or regulation.
36. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine.
37. All instruments of transfer that are registered shall be retained by the Company, but any instrument of transfer that the Directors decline to register shall (except in any case of fraud) be returned to the Person depositing the same.

TRANSMISSION OF SHARES

38. The legal personal representative of a deceased sole holder of a Share shall be the only Person recognised by the Company as having any title to the Share.
